The individual agrees to hold the Academy and road testing instructor harmless from any claims, damages, liabilities, or expenses arising out of or related to the road test conducted in any vehicle including the Academy's. The student who is testing retains full responsibility for the condition and maintenance of their vehicle, including ensuring it meets all necessary safety requirements for the road test.

- In the event that a student, parent, or legal guardian exhibits any kind of animosity, impolite, or threatening behavior toward the instructor or any staff member, the road test will be immediately cancelled, will not be rescheduled, and the student will be barred from Academy.

- Please note we only accommodate one appointment at a time in our office. Students will be asked to wait outside or in their vehicle until the instructor is ready for your appointment. The Academy typically administers back to back appointments and could be running behind for your appointment.

- Patriot Driving Academy is dedicated to assisting students with any questions or concerns. Students may contact our office prior to testing to ask any questions or clarification on what documentation is needed to test.
